THE PRE KID BIKE ASSEMBLING MANUAL

GIANT

INTRODUCCIÓN

Gracias por elegir las bicicletas infantiles Giant. Creemos que una infancia memorable siempre va acompañada de una bicicleta, y Giant tiene la suerte de formar parte de este viaje. Fieles a nuestro objetivo de "liberar el potencial de cada ciclista", las bicicletas infantiles Giant ofrecen la mejor calidad y rendimiento para que los niños disfruten cada momento de su bicicleta.

USO PREVISTO DEL MANUAL

Este manual de bicicleta te ayudará a disfrutar de la mejor experiencia ciclista y a mantener la seguridad al montar. En este manual, se ilustra claramente cada parte de la bicicleta y te guía paso a paso para ensamblarla. Sin embargo, este manual no sustituye al manual general del usuario.

ADVERTENCIA 1

Asegúrese de leer y comprender detenidamente las advertencias e instrucciones de este manual antes de usar la bicicleta nueva. No todas las bicicletas están diseñadas para todas las actividades. Consulte con un distribuidor autorizado de Giant para obtener información sobre el uso previsto de su bicicleta.

ADVERTENCIA 2

El montaje de la bicicleta Giant debe seguir las instrucciones sugeridas y los tornillos deben apretarse al par de apriete recomendado, si se indica. Asegúrese de seguir las instrucciones y el par de apriete de los tornillos en cada paso del montaje. Giant no se responsabiliza de ningún producto instalado incorrectamente.

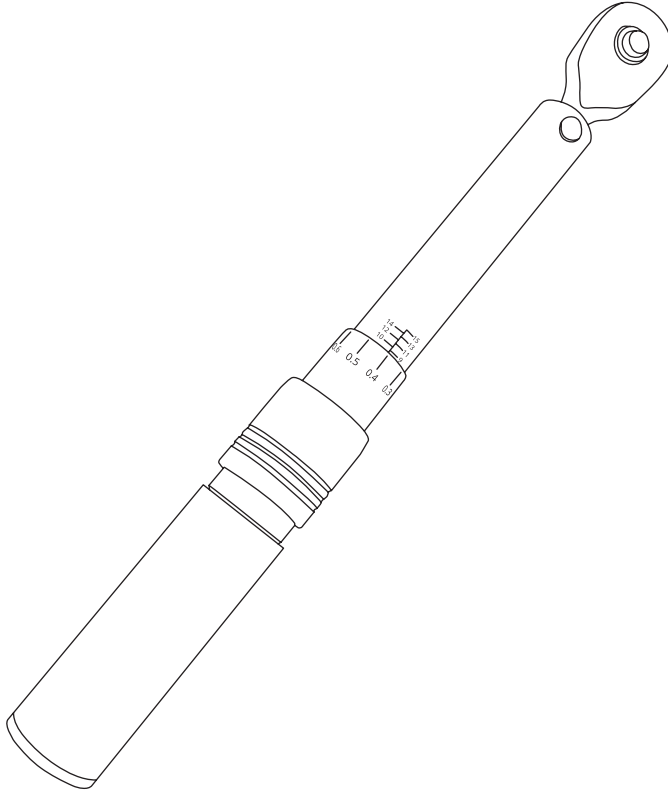

ADVERTENCIA 3

El montaje de la bicicleta es una operación compleja que requiere formación y experiencia. Si no está seguro de sus habilidades o de las herramientas que utiliza, consulte a un distribuidor autorizado de Giant para obtener asistencia e instalación. El incumplimiento de esta advertencia podría provocar un mal funcionamiento de la bicicleta, lo que podría causar lesiones graves o la muerte.

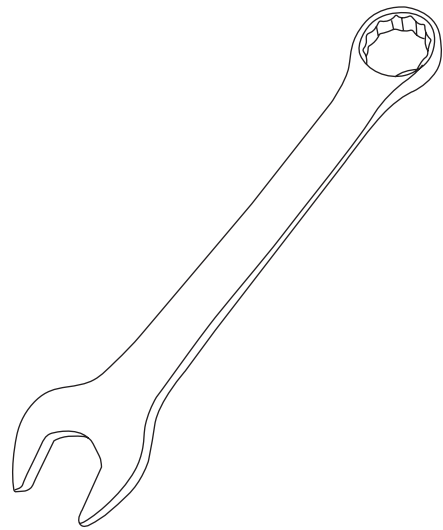

ADVERTENCIA 4

Antes de empezar a montar en bicicleta, lea las precauciones y advertencias, y cumpla siempre con las normas de uso de bicicletas para niños.
