THE PRE KID BIKE ASSEMBLING MANUAL

GIANT

INTRODUCTION

Merci d'avoir choisi les vélos pour enfants Giant. Nous sommes convaincus qu'une enfance mémorable passe toujours par le vélo, et les vélos pour enfants Giant ont la chance de faire partie de cette aventure. Fidèles à notre objectif de « libérer le potentiel de chaque cycliste », les vélos pour enfants Giant offrent une qualité et des performances exceptionnelles pour que les enfants profitent pleinement de chaque instant de vélo.

UTILISATION PRÉVUE DU MANUEL

Ce manuel d'utilisation du vélo a pour but de vous aider à profiter au maximum de votre expérience cycliste et à rouler en toute sécurité. Chaque pièce du vélo est clairement illustrée et vous guide à travers les étapes détaillées de montage de votre vélo enfant. Cependant, ce manuel ne remplace pas le manuel d'utilisation général du vélo.

AVERTISSEMENT 1

Veuillez lire attentivement et comprendre les avertissements et les instructions de ce manuel avant d'utiliser votre nouveau vélo. Tous les vélos ne sont pas conçus pour toutes les activités. Demandez à un revendeur Giant agréé de vous expliquer l'usage prévu de votre vélo.

AVERTISSEMENT 2

L'assemblage du vélo Giant doit suivre les instructions suggérées et les boulons doivent être serrés au couple recommandé, le cas échéant. Assurez-vous de suivre les instructions et le couple de serrage des boulons à chaque étape de l'assemblage. Giant décline toute responsabilité en cas d'installation incorrecte du produit.

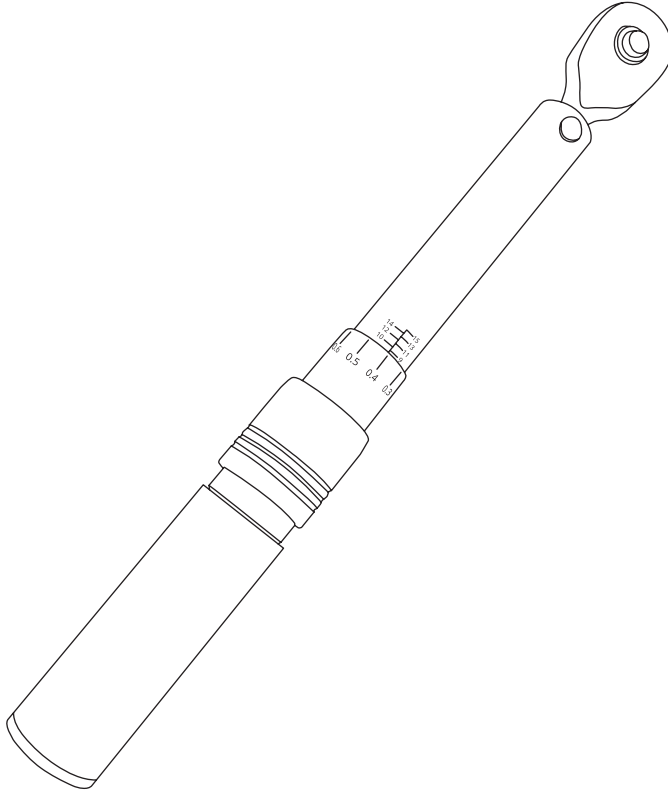

AVERTISSEMENT 3

L'assemblage d'un vélo est une opération complexe qui nécessite formation et expérience. En cas de doute sur vos compétences et vos outils, veuillez consulter un revendeur Giant agréé pour obtenir de l'aide et procéder à l'installation. Le non-respect de cet avertissement peut entraîner un dysfonctionnement du vélo, susceptible d'entraîner des blessures graves, voire mortelles.

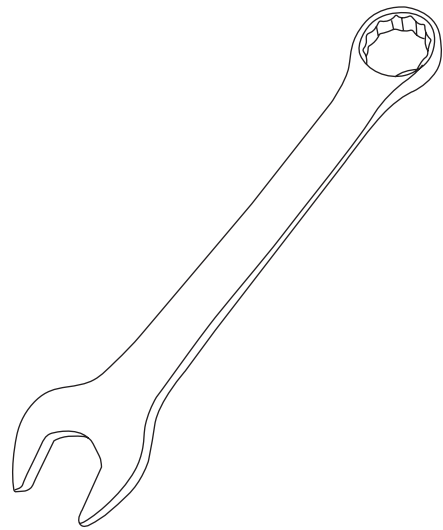

AVERTISSEMENT 4

Avant de faire du vélo, veuillez lire les avertissements et les précautions d'emploi, et toujours respecter la réglementation relative à l'utilisation du vélo par les jeunes.
