INLEIDING

Bedankt dat u voor de jeugdfietsen van Giant hebt gekozen. Wij geloven dat een onvergetelijke jeugd altijd gepaard gaat met een fiets, en Giant jeugdfietsen zijn er trots op deel uit te mogen maken van deze reis. In lijn met ons doel "het potentieel van elke fietser te ontplooiën", bieden Giant jeugdfietsen de beste kwaliteit en prestaties in hun klasse, zodat kinderen op elk moment van het fietsen kunnen genieten.

BEOOGD GEBRUIK VAN DE HANDLEIDING

Deze fietshandleiding helpt u de beste fietservering te beleven, en uw veiligheid te waarborgen tijdens het fietsen. In deze handleiding wordt elk onderdeel van de fiets duidelijk geïllustreerd en wordt u stap voor stap begeleid bij het monteren van uw jeugdfiets. Deze handleiding vervangt echter niet de algemene handleiding voor fietsgebruikers.

WAARSCHUWING 1

Zorg ervoor dat u de waarschuwingen en instructies in deze handleiding zorgvuldig leest en begrijpt voordat u op de nieuwe fiets gaat rijden. Niet elke fiets is geschikt voor elke activiteit. Vraag een erkende Giant dealer om uitleg over het beoogde gebruik van uw fiets.

WAARSCHUWING 2

Volg bij de montage van de Giant fiets de aanbevolen instructies en draai de bouten altijd vast met het aanbevolen aanhaalmoment, indien aangegeven. Zorg er voor dat u bij elke montageslap de instructies en het aanhaalmoment van de bouten opvolgt. Giant aanvaardt geen aansprakelijkheid voor producten die onjuist zijn geïnstalleerd.

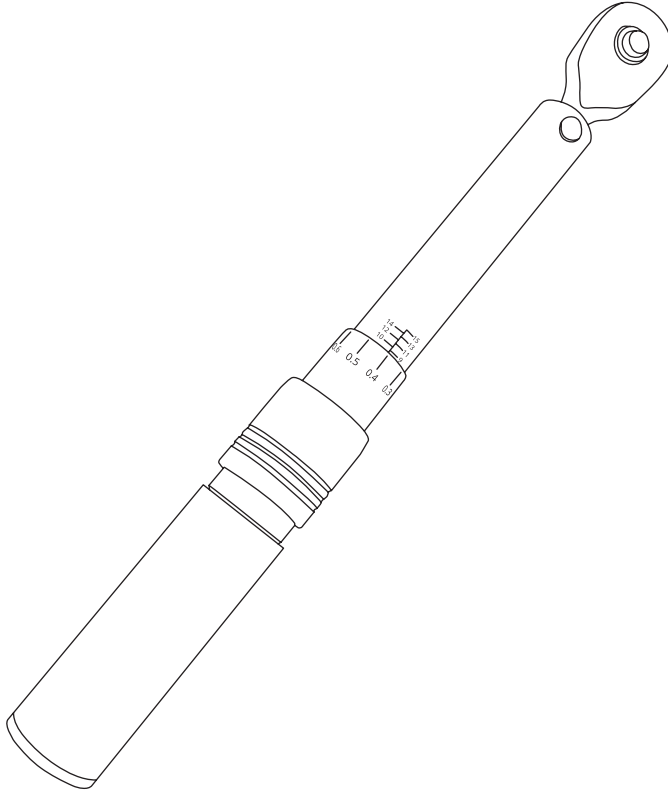

WAARSCHUWING 3

Het monteren van de fiets is een complexe handeling en vereist training en ervaring. Als u niet zeker bent van uw vaardigheden en gereedschap, raadpleeg dan een erkende Giant dealer voor hulp en installatie. Het niet opvolgen van deze waarschuwing kan leiden tot het niet goed functioneren van de fiets, wat kan leiden tot ernstig letsel of de dood.

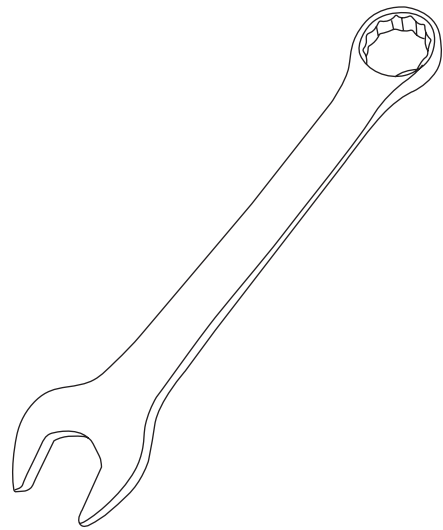

WAARSCHUWING 4

Lees voor het fietsen de waarschuwingen en volg altijd de regels voor jeugdfiets gebruik.
